

CASE STUDY: Sustainable Management of Costa Rica

Content: Threats, Management, Samasati Nature Reserve (Advantages & Disadvantages)

Ecosystems & Biomes

Content: Interdependence, Food Webs and Chains, Biome Characteristics

Tropical Rainforest Exploitation

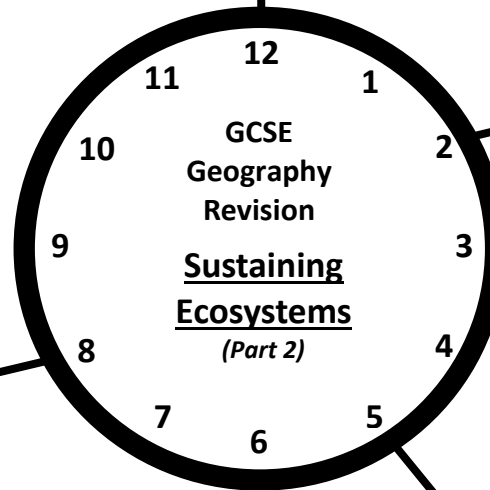

Content: Value of the Rainforest, Impacts of Human Activity

Tropical Rainforests: Biodiversity

Content: Climate, Soils, Trees, Nutrient and Water Cycles, Adaptations

CASE STUDY: Large-Scale Sustainable Management
Content: The Arctic Council & Paris 2015 Agreement (Successes and Failures)

The Arctic & Antarctica
Content: Location, Features of Landscape, Soils

CASE STUDY: Small-Scale Sustainable Management
Content: The Ice Hotel (Successes and Failures)

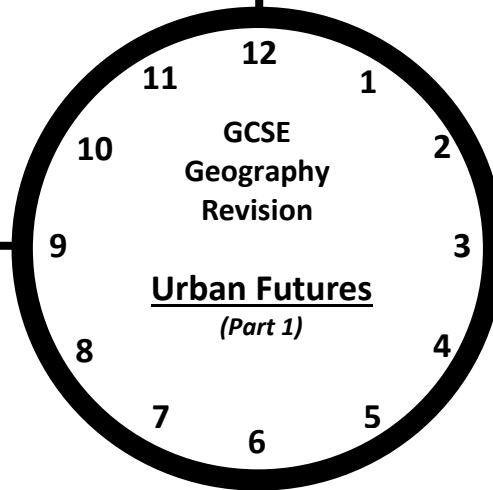

Arctic Exploitation
Content: Impact of Human Activity

UK Urban Trends

Content: Suburbanisation Counter-Urbanisation and Re-Urbanisation

Urbanisation

Content: Global Patterns, ACs, EDCs and LIDCs

Rapid Urbanisation in LIDCs

Content: Rural-urban Migration, Push and Pull Factors, Consequences

Types of Urban Areas

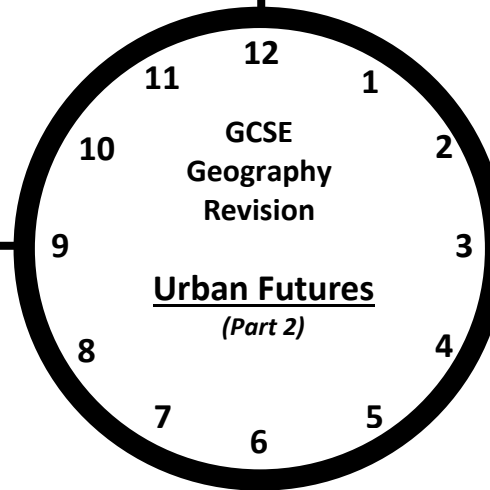

Content: Megacities & World Cities

CASE STUDY (EDC City): Rio De Janeiro – Part 2

Content: Character, Contemporary Challenge and Opportunity / Sustainability

CASE STUDY (AC City): London – Part 1

Content: Location, Importance, Migration and Growth

CASE STUDY (EDC City): Rio De Janeiro – Part 1

Content: Location, Importance, Migration and Growth

CASE STUDY (AC City): London – Part 2

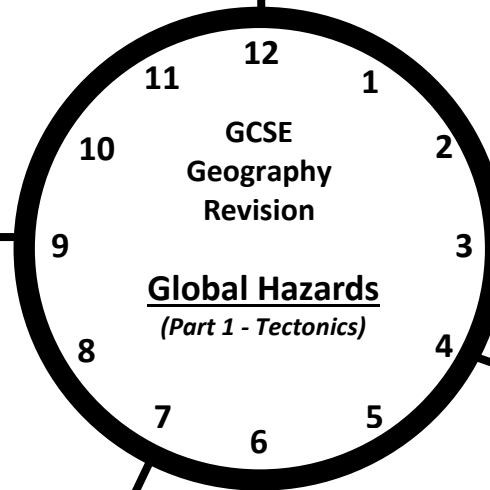

Content: Character, Contemporary Challenge and Opportunity / Sustainability

Extreme Weather

Content: Global Circulation System, Temperature, Precipitation and Wind

Tectonic Processes

Content: Plate and Continental Theory, Crust and Types of Boundaries

CASE STUDY: Haiti Earthquake, 2010

Content: Causes, Consequences, Responses

Volcanoes and Earthquakes

Content: Composite Vs Shield Volcanoes. Earthquake Features and Focus Types

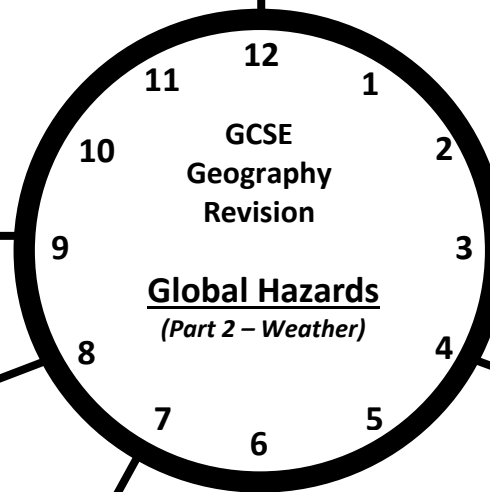

CASE STUDY: UK Heatwave, 2022
Content: Causes, SEE Impacts, Responses

Tropical Storms
Content: Distribution, Frequency, Formation and Measurement

Droughts and Heatwaves
Content: Distribution and Frequency

ENSO in the Pacific Ocean
Content: El Nino and La Nina Oscillations

CASE STUDY: Typhoon Haiyan, 2013
Content: Causes, Primary and Secondary Impacts, Short and Long-Term Responses

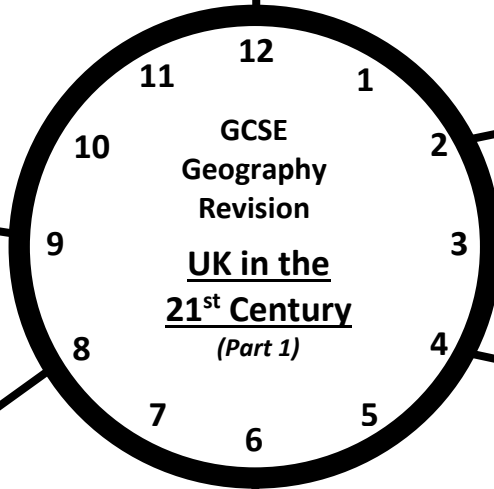

UK Economic Changes Since 2001

Content: Changing Employment Sectors, Causes of Change & Work Patterns

UK Physical and Human Characteristics

Content: Landscape, Population, Precipitation and Land Use

Issues in the UK
Content: Water Stress & Housing Shortages

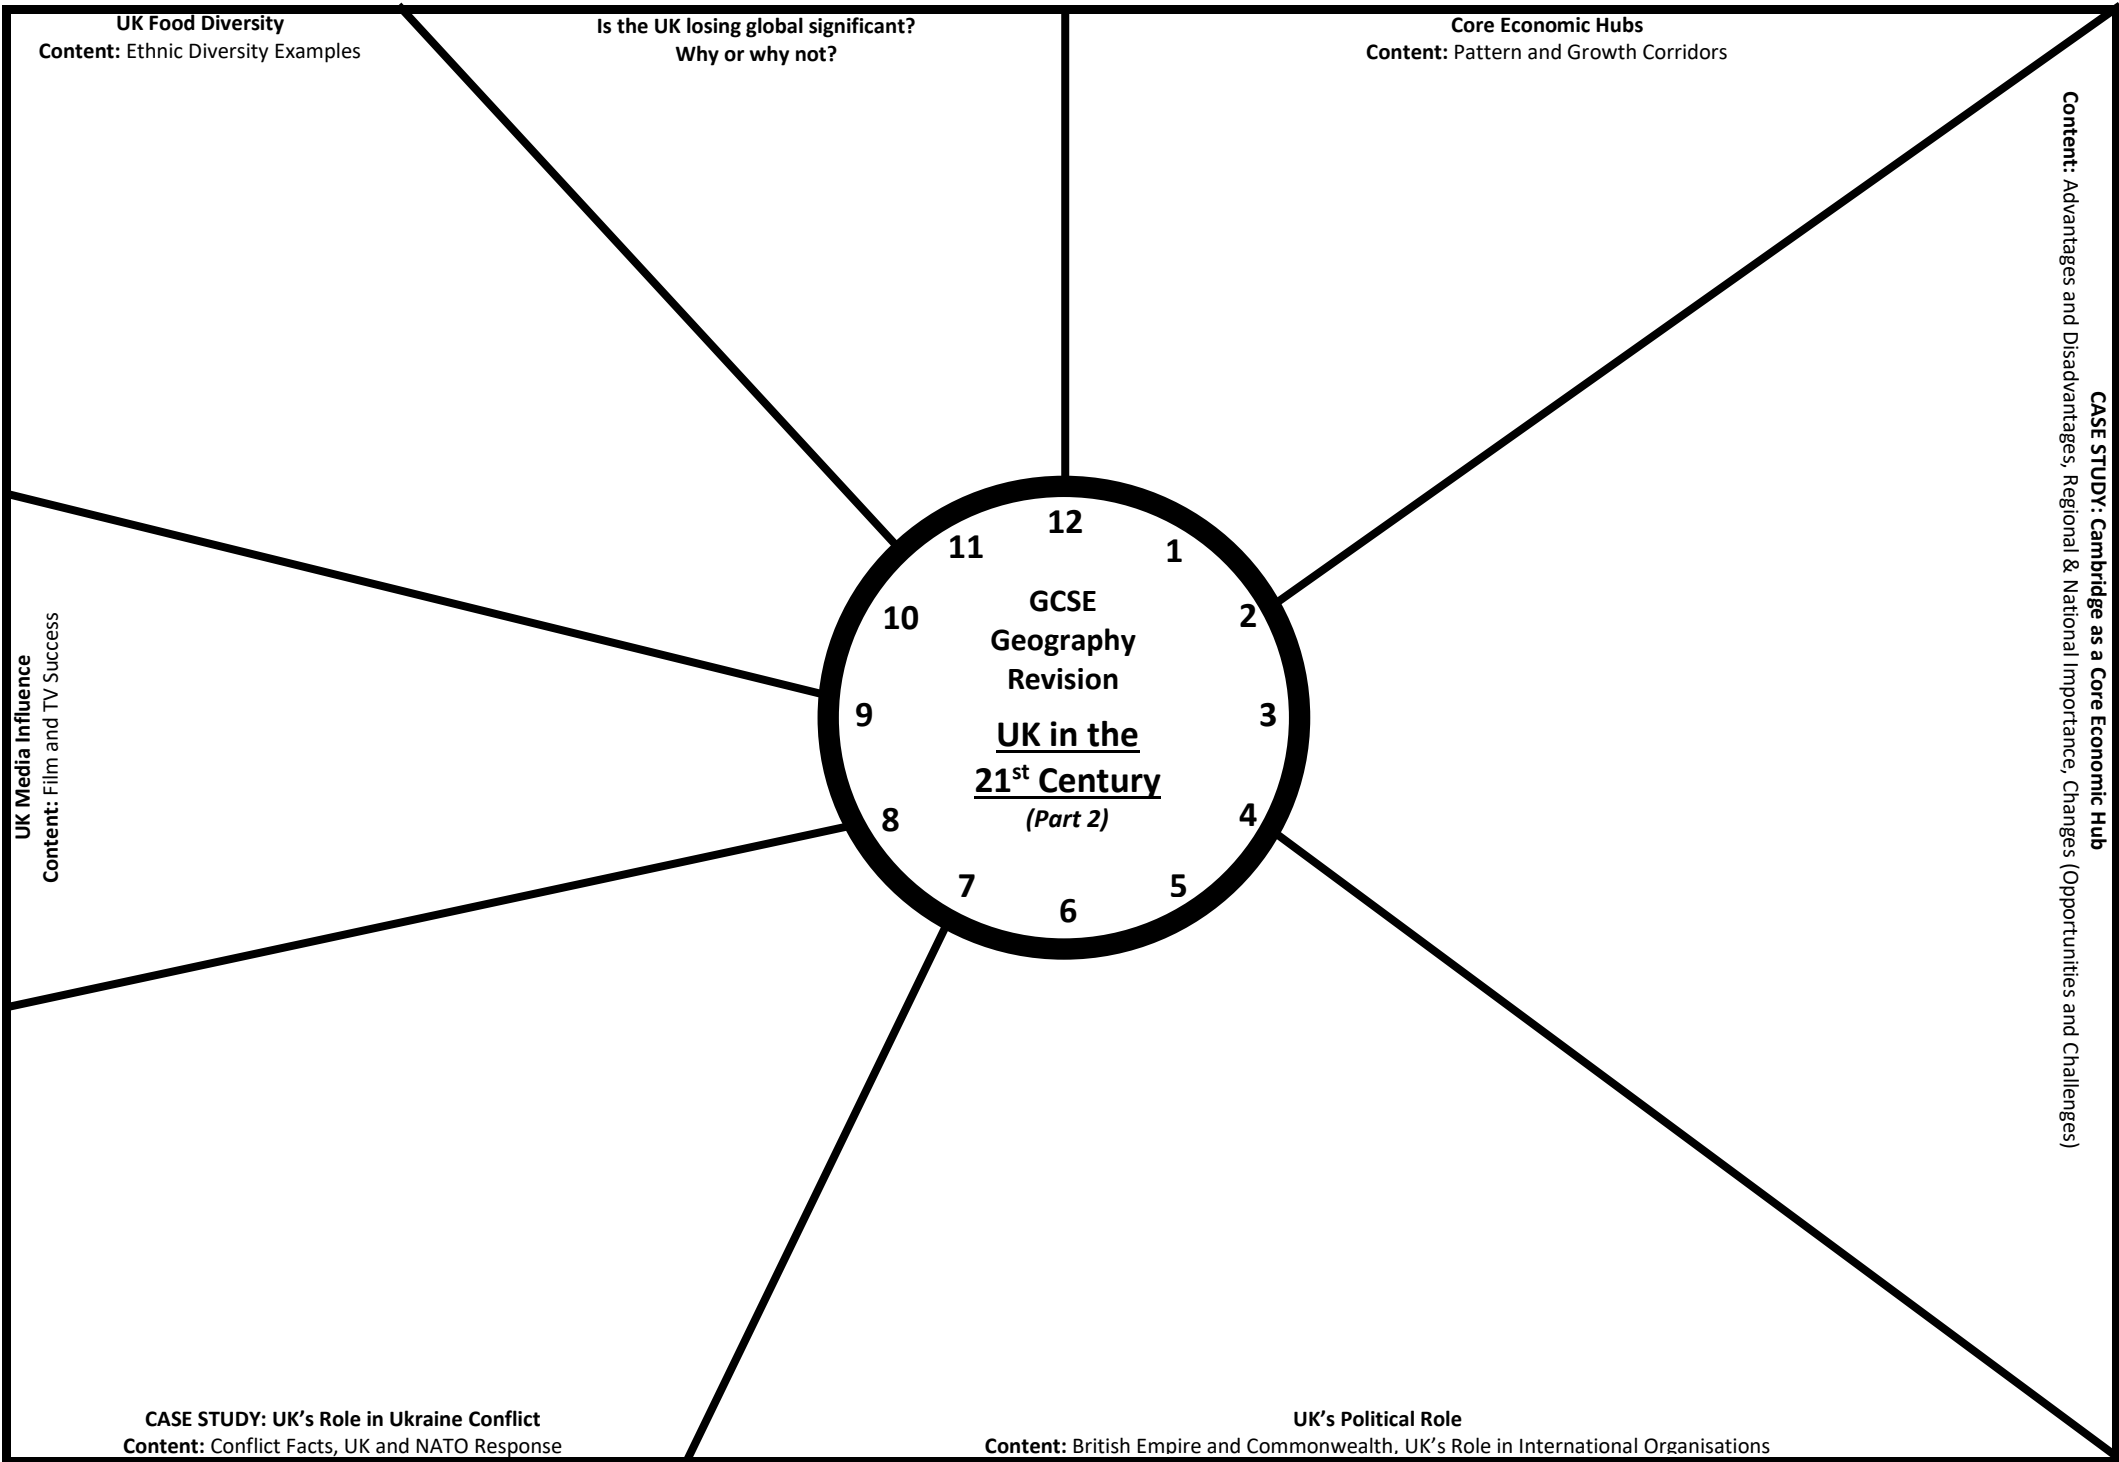

CASE STUDY: Ethnic Diversity in London
Content: Changes, Causes of Change

UK Ageing Population

Content: Context, Causes, Impacts, Responses

UK Population Change

Content: Growth Demographic Transition Model

UK Food Diversity
Content: Ethnic Diversity Examples

Is the UK losing global significant?
Why or why not?

Core Economic Hubs
Content: Pattern and Growth Corridors

CASE STUDY: Cambridge as a Core Economic Hub
Content: Advantages and Disadvantages, Regional & National Importance, Changes (Opportunities and Challenges)

UK Media Influence
Content: Film and TV Success

CASE STUDY: UK's Role in Ukraine Conflict
Content: Conflict Facts, UK and NATO Response

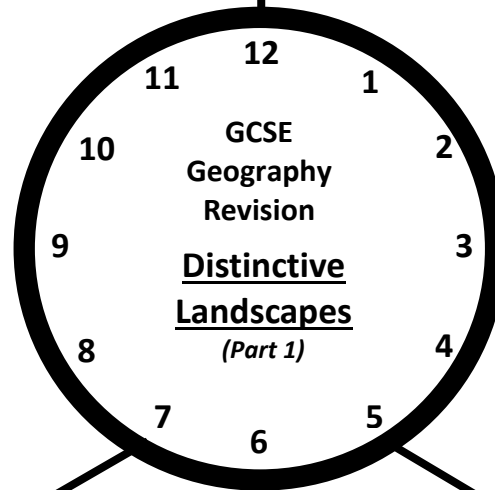

UK's Political Role
Content: British Empire and Commonwealth, UK's Role in International Organisations

Formation of Coastal Landforms

Content: Coastal Stack, LSD Forming Coastal Spit, Headlands and Bays

UK Landscape

Content: Uplands and Lowlands, Glaciation, Geology, Human Activity and Climate

Geomorphic Processes

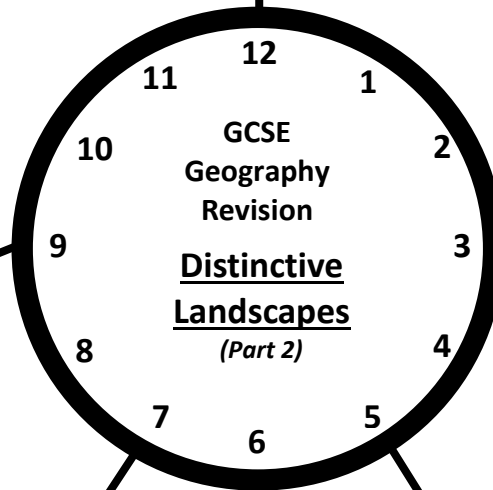

Content: Mass Movement, Erosion, Transportation & Deposition

RIVER CASE STUDY: River Tees

Content: Geology, Processes and Landforms, Management (Hard and Soft Engineering)

COASTAL CASE STUDY: Walton on The Naze

Content: Geology, Processes and Landforms, Management (Hard and Soft Engineering)

Landforms in the Lower Course of a River

Content: Profile, Floodplain and Levee Formation

Landforms in the Middle Course of a River

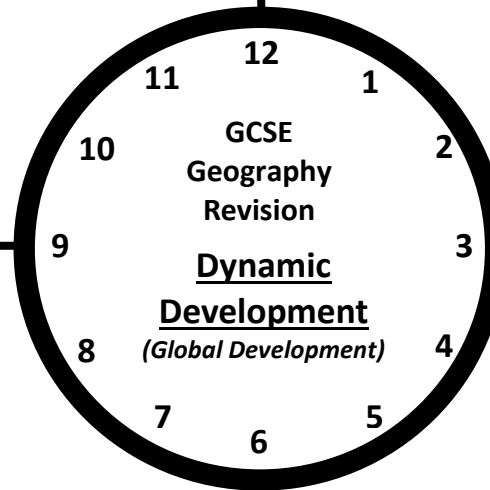

Content: Profile, Meanders and Ox-Bow Lakes Formation

Landforms in the Upper Course of a River

Content: Profile, Waterfall Formation

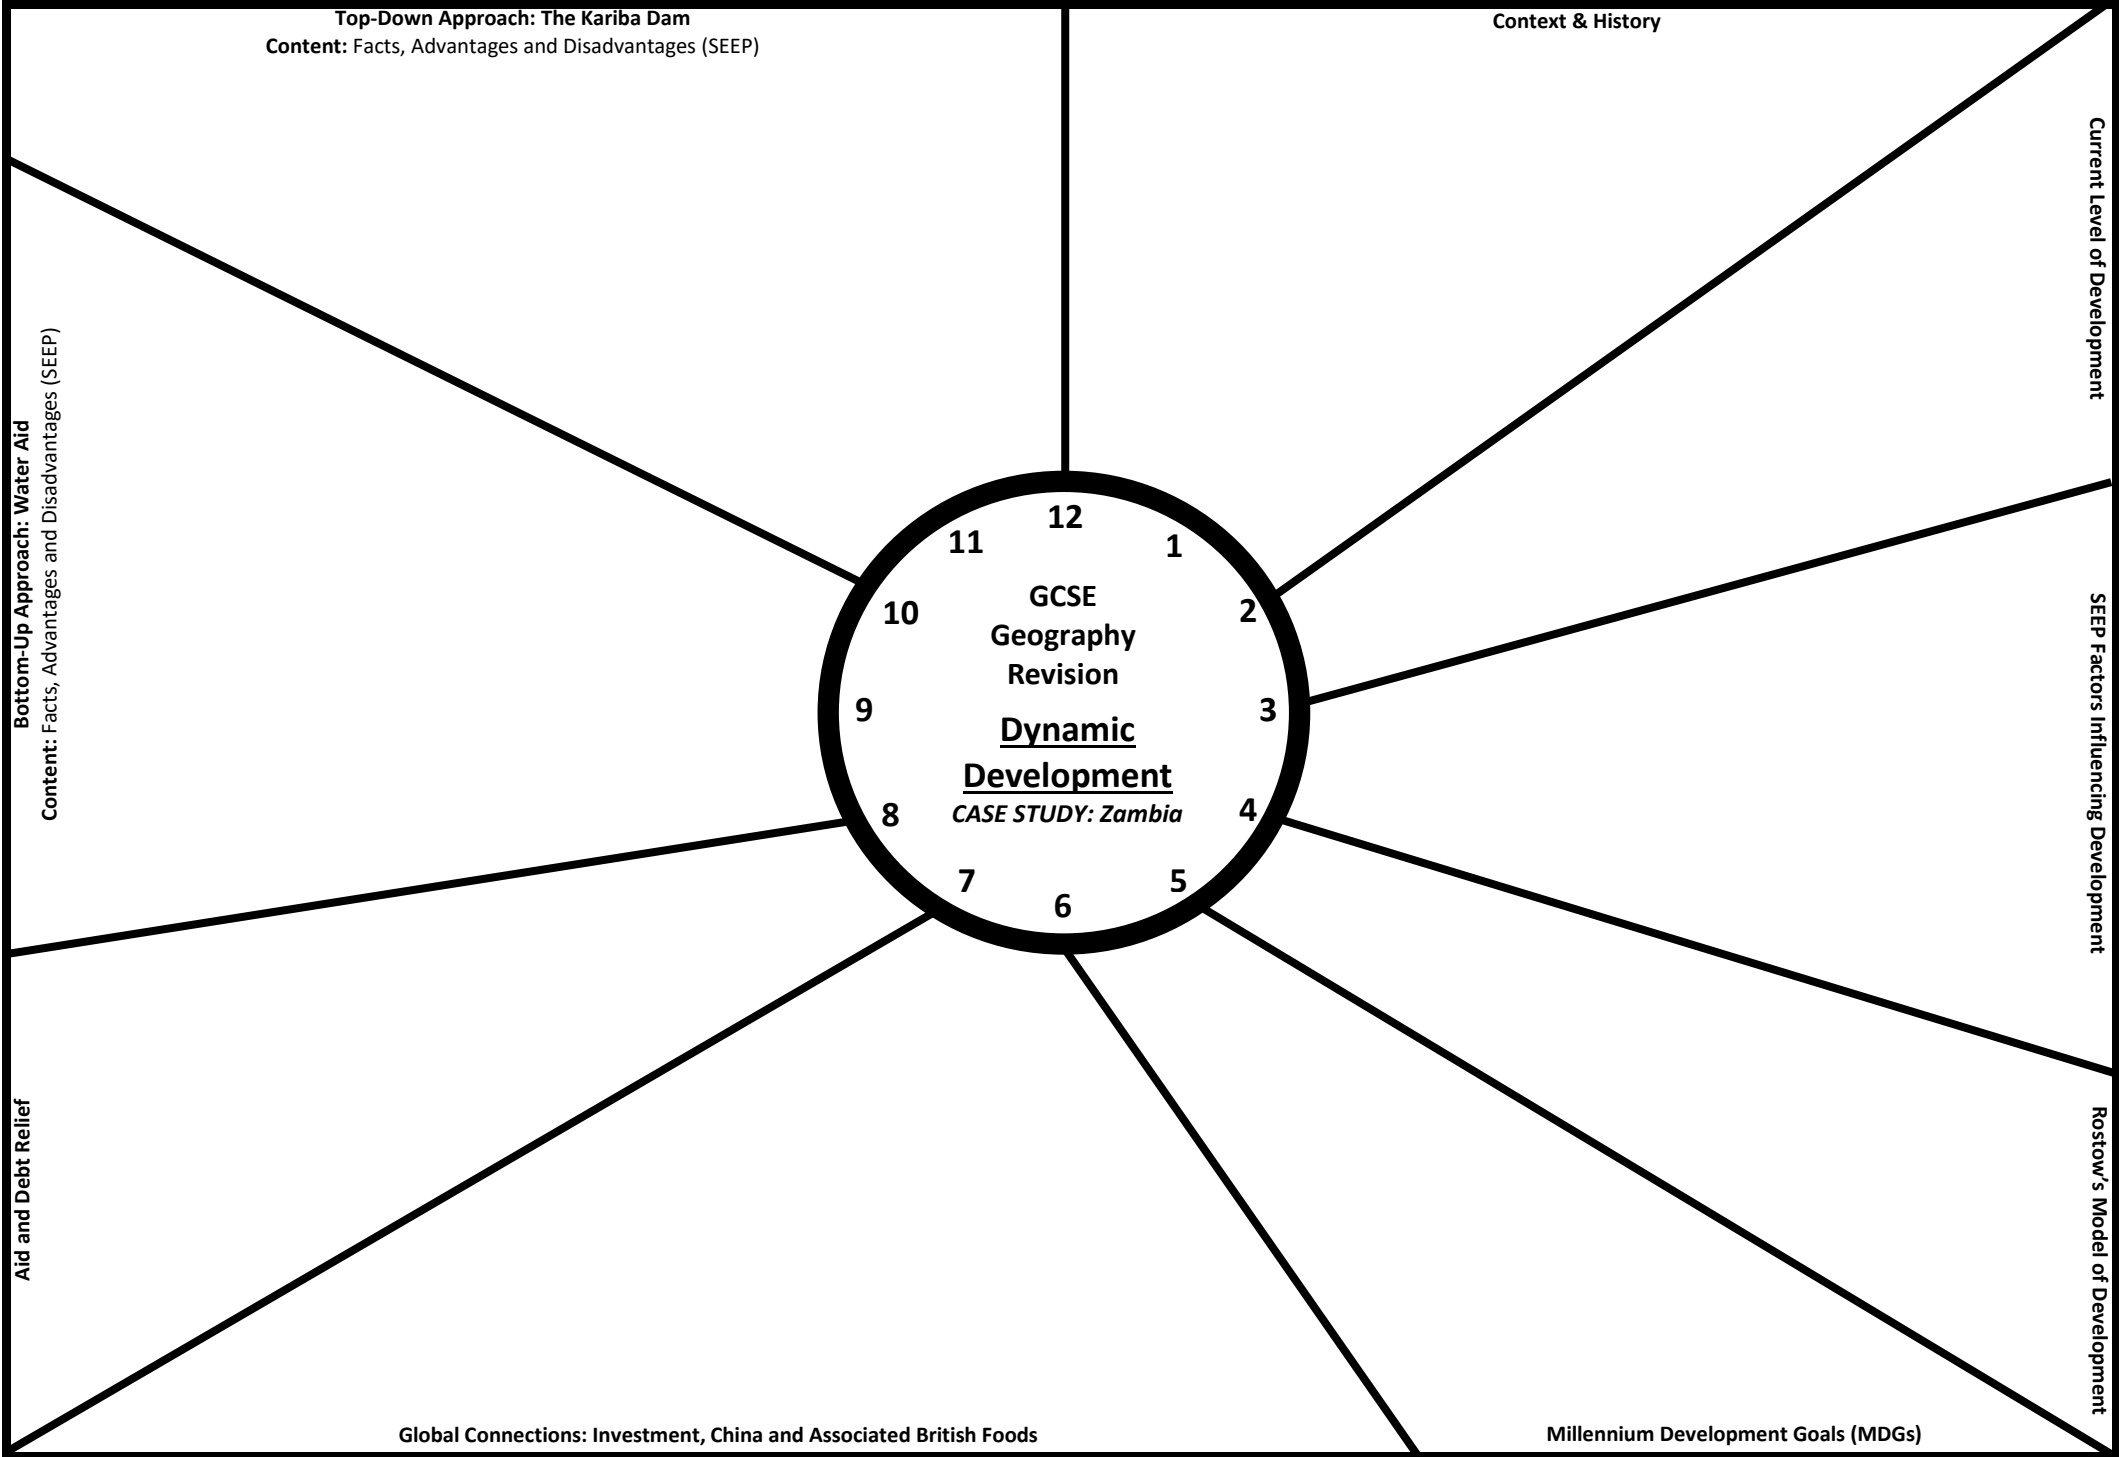

Barriers / Obstacles to Development
Content: Trade, Debt and Political Unrest

Development Context
Content: Country Classifications, Global Distribution, BRICs and MINTs

Uneven Development
Content: Physical and Human Factors, Colonialism

Measuring Development (Indicators)
Content: Social and Economic Measures, Human Development Index (HDI), Rostow

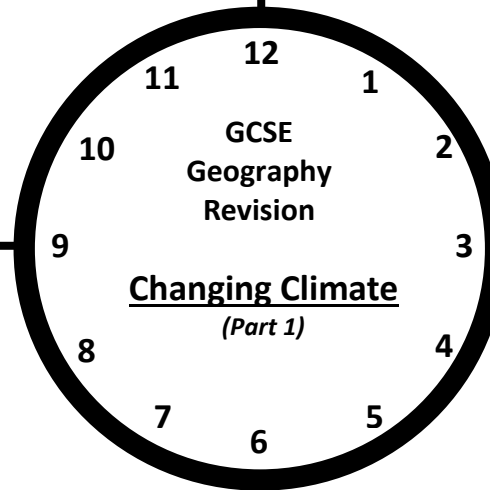

SEE Global Impacts of Climate Change

Content: Food Supply, Plants and Animals, Rising Sea Levels and Water Supply

Climate Change and Evidence

Content: Quaternary Period, Historical and Recent Evidence

Natural and Enhanced Greenhouse Effect

Content: Types of Greenhouse Gases and Natural Vs Enhanced

Natural Climate Change

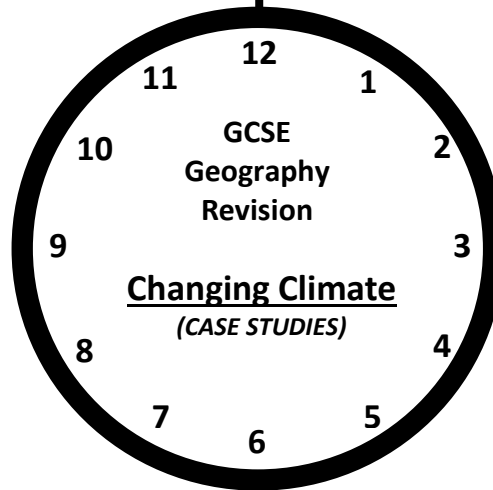

Content: Milankovitch Cycles, Sunspots and Volcanic Eruptions

UK IMPACTS CASE STUDY

Content: Facts, Rising Sea Levels, Positive Impacts and Negative Impacts

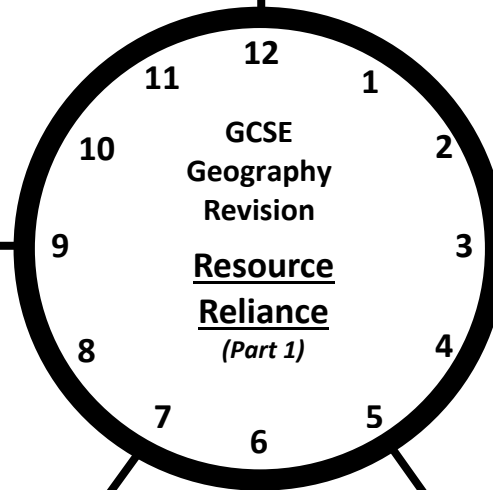

GLOBAL IMPACTS CASE STUDY: Sea Level Rise in Tuvalu, Pacific Islands

Content: Facts, SEE Impacts, Management / Responses

Theories on Food Supply
Content: Malthus Vs Boserup

Demand Outstripping Supply
Content: Population Growth, Economic Development and Uneven Distribution

Water: Impacts of Resource Use
Content: Reservoirs and Transfer Schemes

Energy: Impacts of Resource Use
Content: Deforestation & Mining

Food: Impacts of Resource Use
Content: Mechanisation, Commercial Farming & Fishing

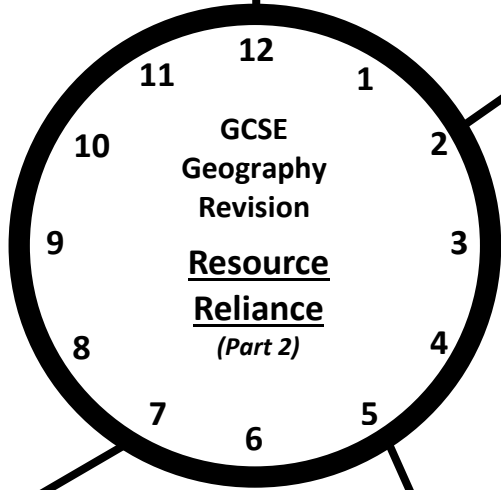

Sustainability in Food Security

Content: Ethical Consumerism, Food Production, Technological Development and Small-Scale Approaches

Measuring Food Security & Tanzania's Security

Content: Global Hunger Index, Daily Calorie Intake

LOCAL SCALE CASE STUDY: Goat Aid
Content: Background, Successes & Criticisms

PRESENT PROJECT CASE STUDY: SAGCOT Tanzania
Content: Background, Successes & Failures

PAST PROJECT CASE STUDY: Canada-Tanzania Wheat Project
Content: Background, Successes & Failures
